

PFLAG Buffalo/Niagara grants are available for amounts up to \$500.00.

Monies must be used for activities, events, and supplies (no food and drink items) that enrich the LGBTQIA+ student community and experience in WNY schools. A connection to an LGBTQIA+ event or activity is required.

Grant requests must be received 30 days in advance of when funds will be used. The requested amount must be related to the specific receipts attached and used for that purpose.

A short article (photos if possible) by advisor is required within two weeks sharing how the funds were used. This will be used in a future PFLAG Buffalo/Niagara newsletter.

To Apply: Please tell the committee about your group and about the information, activities, events, or supplies for which you are requesting funds. Share the short term and long term goals of your activity or event.

Please attach proof of prices (examples- Amazon price list or ticket price for the event attending) along with information below to:

**PFLAG Buffalo/Niagara
P. O. Box 617 Buffalo NY 14207.**

Also, leave a message at (716) 883-0384 when you have mailed the application.
